A Letter from Radio East Africa

Here is a letter that we received today from Radio East Africa. It welcomes Good News Unlimited to their family of broadcasters, but also highlights the challenges and the needs ahead. The programme that we are broadcasting throughout East Africa is aptly called, “Jesus Only.” – Eliezer
Dear Dr. Gonzalez,

On behalf of Pan American Broadcasting and Radio East Africa, we welcome you to our family of radio broadcasters. We are very pleased that you are broadcasting on Radio East Africa and are sharing your important message with the many hungry souls in East Africa.

Your broadcast is helping people of East Africa by giving them encouragement and providing them with spiritual growth. Many of the souls that are listening to your program are in great need of the Good News and your message will make a difference in their lives.

Please remember that it takes time to establish your listening audience. Furthermore, sending letters is difficult for some listeners. Many of the people listening to your program are unable to send letters because they simply lack the extra funds needed to purchase stamps. Many are also illiterate. In fact, illiteracy is as high as 80% in some countries. Plus, the postal service in many countries may not be very reliable and efficient. Therefore, mail takes a longer period of time to reach its final destination.

Remember that the number of letters you receive can sometimes be misleading in determining how effective your program really is. Radio stations estimate that for every one letter you receive there are at least 1000 people listening to your program. Radio is such a wonderful tool for reaching millions around the world!

Thank you for choosing Radio East Africa for your Outreach. We look forward to partnering with you and if we can be of further assistance please call us at (800) 726-2620 or (925) 462-9800.

Sincerely,

The Staff at Pan American Broadcasting
