“Jesus said to the man, “Stretch out your hand.” He did so, and his hand was completely restored. But they were furious …” (Luke 6:10-11).

Here was God in the flesh meeting with these people in their place of worship, and “they were furious” with him. Where did they go wrong?

The people who went to the synagogue that Sabbath to worship the Lord, were worshipping the wrong Lord. They had made an idol of their beliefs, and were worshipping their man-made image rather than the Lord God.

It’s so easy to worship your beliefs that many, many Christians have fallen into this trap. This means that many Christians have apostatised from the true faith – which
is faith in Jesus alone.
