Good News Flash

Plough Your Little Corner

We have the ministry of the Holy Spirit, and even those of us who feel we are the densest and most useless members of Christ’s church can, in fact, be used. All things are possible with God. He calls us to be faithful to what we can do unto His glory. Would you like to grow in kingdom work? If so, then plough your little corner of the field. Expect the unexpected to come up. Pray that the Lord will bless your humble strivings, and if He is pleased to, when He is pleased to, the results will not be undersized. It is good for us to consider our ways. It may be that we forget that
God’s workings are not like our workings. He takes little things and makes great use of them, when He is pleased to bless. It is not our grand plans - it is not our exalted ideas, it is not our non-stop efforts, it is not our perfected talents that give the blessing. It is the Holy Spirit, and the Spirit is like the wind. He blesses where He will. We seek to be faithful, and we pray for the blessing.
