**Guard Your Security Pin to Your Trust Account**

One of sin’s biggest achievements is to be given our personal security pin number to our God-trust account. In no time it will swipe the debit card to gain access to your trust account and deplete it of assurance and confidence in what Jesus has
accomplished on your and my behalf.

Your statement balance will be in the red with peace with God, while doubt, fear, helplessness and spiritual emptiness will be the withdrawals you never expected to show up.

Hold fast to your confidence in Christ. “Such confidence we have through Christ toward God. Not that we are adequate in ourselves to consider anything as coming from ourselves, but our adequacy is from God, who also made us adequate as servants of a new covenant, not of the letter but of the Spirit; for the letter kills, but the Spirit gives life.” 2 Cor. 3:5. And again we are invited to that same boldness and confidence in the book of Hebrews: "Therefore, brethren, since we have confidence to enter the holy place by the blood of Jesus, by a new and living way which He inaugurated for us through the veil, that is His flesh, and since we have a great priest over the house of God, let us draw near with a sincere heart in full assurance of faith." Hebrews 10:19-22

Why would you and I want to have access to the Holy Place? Because it is in this place, or if you like in this space alone where we can “draw near” and be in His presence and where we can experience joyful communion with God Himself. It is by the blood of Jesus our High Priest for ever that we have access to the heart of God now and for eternity.

So guard preciously your security pin number and let not anyone steal your trust and confidence in what Jesus has accomplished for you.
