Called to Be a Missionary?

Click here to watch our NEW college video.

Educating for Eternity
For the glory of God and the hastening of Christ’s return
Is God calling you to be a missionary to your community, country, or some far away land? Consider training at ...

Hartland College

Our mission is to prepare young men and women to take the everlasting gospel to the world in their generation through evangelistic, educational, health, and media ministries.

Majors

- Pastoral Evangelism
- Bible Instruction
- Christian Elementary Education
- Christian Secondary Education
- Health Ministry
- Midwifery
- Christian Media Management
- Certified Nursing Assistant (Coming Soon)

Vocational Training

- Farm

Students are trained in gardening -- from soil preparation to cultivation to harvesting. They also learn to grow crops in greenhouses, fields, and orchards. "Study in agricultural lines should be the A, B, and C of the education given in our schools." 6T, p. 179.

- Lifestyle Education Center

Guests with health problems, such as heart disease, diabetes, obesity, or depression, come to our "Lifestyle to Health" program. Students learn to use hydrotherapy, massage, diet, exercise, herbal remedies, and lifestyle medicine to restore the guests' health.

- Last Generation

While working on this attractive, bimonthly outreach magazine, students learn writing, copyediting, proofreading, and publication management skills.

- Hartland Publications

Our bookstore carries relevant material on practical Christianity, family life, doctrines, and end-time events. Students who work in the bookstore learn customer relations, book sales, order processing, and inventory control.

- Media
Students have the opportunity to work on a variety of media projects, including video production, audio production, and design and layout for professional print. Projects include DVD and CD production, as well as graphic design of materials for a variety of Hartland events.

- **Information Technology**

Valuable experience is gained by students in the areas of network and server administration, system upgrade, maintenance and repair, help-desk, as well as walk-in customer support for a variety of technology needs.

**Outreach**

- Bible Study
- Health Training
- Literature Evangelism
- Nursing Home
- Piedmont Valley Youth Bible Camp
- Prison Ministry
- Three Angels' Chorale
- Youth, Do You Dare?

**Cost**

The annual cost for room, board, and tuition for one student is $11,340. A work scholarship program is available.

**Results**

- Through Hartland College, young men and women have become ministers, evangelists, Bible workers, educators, and medical missionaries.
- Many of our graduates have started new ministries worldwide, including training schools and health centers.
- Thousands of souls have been led to Jesus Christ and an acceptance of the Seventh-day Adventist message.
- Our graduates are a force of positive change within our church.

**Training students to proclaim the Three Angels' Messages worldwide.**
