Medical Missionary Work

The Necessary Means to Fulfilling the Gospel Commission

Featuring | Dave Fiedler

Dave is the author of Hindsight and d'Sozo. These highlight lessons from our denominational history concerning medical missionary work. Since August 2008, Dave and his family have been working to implement those lessons in practical ways. They have a growing conviction that medical ministry is the essential method for finishing God’s work.

Find his books at Hartland Publications or click on the cover icon for more info or to order online.
