**Stories from a Shepherdess - CD**

In 1998, after spending another day in the city working at my remodeling business, and being around all the sights and sounds of the city, I prayed "Lord, Please get my family and me out of the city, Maybe a ranch would be the right place, but please just get us out!" At that time we lived in the country, but drove 35 miles one way to the city to work. I was tired of the city, yet couldn't just quit working and move out, because there would be no source of income. In 2000 our wonderful Heavenly Father sent us to a three-thousand-acre ranch, with sheep, goats, and cattle. Now for the first time in our lives we are starting to clearly understand the sheep, goats, and shepherd stories in the scriptures. The Scriptures have come alive to us, and we hope that these stories will help you get a glimpse and better understanding of God's love for His sheep.
