Dear friend,

These great resources on the Sabbath are now available for a special discount of up to 50%, for a limited time only.

Please note: you must click on the links below in order to receive these special prices.

**From Sabbath To Sunday**

by Carlyle B. Haynes

This is an account of the attempt to change God's Holy Day. A fascinating study of the historical aspects of the Sabbath question.
History of the Sabbath

by J.N. Andrews

The history of the Sabbath embraces a period of 6,000 years. The seventh-day is the Sabbath of the Lord. The acts which constituted it such were, first, the example of the Creator; secondly, His placing His blessing upon the day; and thirdly, the sanctification or divine appointment of the day to a holy use. The Sabbath, therefore, dates from the beginning of our world's history. It is the object of this volume to note the record of the Sabbath in secular history and show the several steps by which the Sunday festival has usurped the place of this ancient Sabbath.

The Law and the Sabbath

by Allen Walker

If Christians are under grace and not the law, is the Sabbath relevant today? Isn't it legalism to esteem one day above any other? Do the Ten Commandments really have any place in the new covenant experience? These questions and a host of others like them are being asked with increasing frequency by evangelical Christians today. With a foreword by the late evangelist Joe Crews, here at last is a book that dares to examine the Bible's own answers.

Oh, No, It's Sabbath Again

by Yara Young

If you're sick of the Friday "beat-the-sun" housework blues, this can help you take control of your home and schedule so that your family and the Sabbath are once more a delight. In "Oh, No, It's Sabbath Again," Young offers practical guidelines for home maintenance and organization that actually make Friday the lightest day of the week.
**Rome's Arraignment of Sabbath-Breakers**

by J. O'Keefe

Sermon by J.O'Keefe as found in the paper entitled "The Catholic Mirror." This booklet was originally printed as Bible Student Library No. 150, July, 1897.

The Lord's Day

by Colin & Russell Standish

In this book the authors thoroughly researched the claims made in favor of the apostolic roots of the Lord's Day, Sunday. "The Lord's Day" is a term used only once in scripture. John the beloved declared in Revelation 1:10, "I was in the Spirit on the Lord's day." In his famous encyclical Dies Domini, Pope John Paul II commenced with these words, "The Lord's Day-as Sunday was called from apostolic times...." To many Protestants, this was an unexpected and much approved declaration from the pontiff of the Roman Catholic Church. Protestants were not accustomed to hear such a declaration issuing forth from Roman Catholic sources, let alone from the supreme pontiff himself.
