"It is beyond the power of the human mind to estimate the evil which has been wrought by the heresy of eternal torment." — ELLEN WHITE

A fascinating story of one man’s quest for truth, and what it cost him. If only more Christians would follow Mr. Fudge’s path.

—Clifford Goldstein, Editor, General Conference of Seventh-day Adventists

"Hell and Mr. Fudge" takes a compelling truth and wraps it in a dramatic narrative and leaves you with a picture of God you will not soon forget. Turns out truth really is stranger than fiction. And that turns out to be very good news indeed.

—Dwight Nelson, Senior Pastor, Pioneer Memorial Church
"Hell and Mr. Fudge" debunks a common biblical misconception in a way that entertains while it enlightens — a novel way to reach minds and, more important, hearts.
—Paul Brantley, PhD.,
Vice President, North American Division of Seventh-day Adventists
