**Pat's Paragraphs**

"Behind the lofty bulwarks of the mountains - in all ages the refuge of the persecuted and oppressed - the Waldenses found a hiding place. Here the light of truth was kept burning amid the darkness of the Middle Ages. Here, for a thousand years, witnesses for the truth maintained the ancient faith.

God had provided for His people a sanctuary of awful grandeur, befitting the mighty truths committed to their trust. To those faithful exiles the mountains were an emblem of the immutable righteousness of Jehovah." (GC 65)

Greetings, dear friends, from Italy.

A few days ago a dream of many years came to pass - I spent a day in the most inspiring place on earth - Waldense country. To see those lofty, snow-covered peaks, the college of the Barbes, a cavernous hiding place, the old stone cottages with slate roofs, and the monument at Chanforan - places I'd read about in stories of a people who endured persecution for over 1000 years - was a most precious experience. I recognized places from Jim's many pictures, and it brought tears to my eyes, to be feeling the same awe and inspiration he found there so many years ago.

I've just finished the final review of the Italian script for the *Seventh Day* series. Through the dedication of precious folks here, *The Seventh Day* will add its light to the rays of truth that have shone on Italy since the Dark Ages! The series will be dubbed and streamed "in the seat of the beast" on Light Channel and hopefully on Hope Channel Italy as well. We are all so appreciative to those of you who have supported this translation project. The projected date for the dubbing to be finished is September.

**Eternal Torment Documentary**

The biggest thing on our plate, and on my heart, is the documentary project. We are more aware each day of the deeply-entrenched allegiance to the eternal torment doctrine among our fellow Christians, and the need for this documentary. Hell and Mr. Fudge raises questions that call for deeper study. We're eager to bring our viewers to a greater understanding of Scripture. We want to talk about the Rich man and Lazarus, and Saul and the witch of Endor. Do those stories prove the existence of dead people who are alive? If not, what do they mean? We will walk through Scripture with some of the world's best experts on the subject.

Interviews have already been filmed with eight scholars. Three more should round out our subject.

Yes, it will take time and money, and friends, what else do we have to offer God? We would love to put this tool in your hands for sharing by the end of this year. If you see value in it, if you can imagine great uses for it, please pray with us for the way and the means. You may mark contributions "Documentary."

I'm looking forward eagerly to what God will do!
Many blessings,
Pat Arrabito

Comments from viewers:

- *Hell and Mr. Fudge* movie is a must see! [It] will change your view on popular belief.

- Amazing! That solves so many problems created unnecessary [sic] by the eternal hell belief. I loved this movie. :)

- Amazing stuff. This film allows the Bible to reveal the truth of a loving God who longs for all to come to Him. Thank you Lord for your grace.

- Definitely worth recommending! And at just about $10, the price of a movie ticket, you can download (and keep!) a really great, thought-provoking film. I just pray that there are more films made which paint a clearer, more truer picture of God's character. With our financial help, there can be. Well done!

- Our God is a god of Love and not torment. The bible is clear on this issue for all willing to see it. Great movie and needs to be seen by all.

Dead -- As on a Sofa

"We should learn to view our death in the right light, so that we do not become alarmed on account of it, as unbelief does; because in Christ it is indeed not death, but a fine, sweet and brief sleep, which brings us release from this vale of tears, from sin and from the fear and extremity of real death and from all the misfortunes of this life, and we shall be secure and without care, rest sweetly and gently for a brief moment, as on a sofa, until the time when he shall call and awaken us together with all his dear children to his eternal glory and joy."

(Martin Luther, quoted by L. E. Froom in The Conditionalist Faith of Our Fathers, Vol. II)
