Dear Friends,

You could help The Hope of Survivors win $5,000 toward its mission!

The Hope of Survivors needs your help! We have an opportunity to win the $5,000 prize that GuideStar USA, Inc., the leading source of nonprofit information, and KIMBIA, a group that empowers nonprofits and other organizations to increase giving, are making available through their Winter 2011 GuideStar-KIMBIA Nonprofit Giveaway. This generous gift would help us accomplish our mission, specifically providing more resources and assistance to victims, additional educational seminars and materials to clergy and church leaders, and maintaining monthly operating costs.

Anyone with firsthand knowledge about The Hope of Survivors who is not a paid employee of The Hope of Survivors (victims, directors, volunteers, pastors, colleagues, friends, donors, etc.) can write a review about us on GuideStar. Your review will appear in our profile on both GuideStar and GreatNonprofits, GuideStar's partner that makes it possible to write and post reviews. There is no charge for writing a review, but you are limited to posting only one review for our organization.

Thank you very much for your support!

God bless you,
Samantha Nelson
Vice President & CEO
