More details and information can be found on the website at:

We encourage you to check the Calendar often and to get involved in planning/hosting an event in your area, as we continue to book programs in honor of the Clergy Sexual Abuse Awareness & Prevention campaign. You may also make your financial contributions online. As a survivor and donor from Florida wrote, "Thank you for all that you have done for us. We've come a long way, and it's exciting to see that your ministry has too. May the Lord continue to bless you and your ministry." It's true; by God's grace and power, The Hope of Survivors has come a long way, yet there's much more to do. Will you help?

Thank you for taking the time to read this message and to help us fight clergy sexual abuse and provide help for countless victims around the world!
God bless you,
Samantha Nelson
Vice President

P.S. Don't forget to register to attend the Hope & Healing Conference in Indianapolis on August 28! The deadline for registration is August 17.
