THE HOPE OF SURVIVORS HONORED AS 2013 TOP-RATED NONPROFIT
New GreatNonprofits.org Award is Based on Positive Online Reviews

Omaha, NE, May 21, 2013--The Hope of Survivors announced today that it has been honored with a prestigious 2013 Top-Rated Award by GreatNonprofits, the leading provider of user reviews about nonprofit organizations.

"We are excited to be named a Top-Rated 2013 Nonprofit," says Samantha Nelson, VP & CEO of The Hope of Survivors. We are proud of our accomplishments this year, including conducting several educational conferences for victims of clergy sexual abuse; pastors and church administrators; and congregations and community members in Iowa, Oklahoma, Virginia and Michigan. More conferences are scheduled throughout the year. Additionally, The Hope of Survivors continues to serve approximately two new victims of clergy sexual abuse each week.

The Top-Rated Nonprofit award was based on the large number of positive reviews that The Hope of Survivors received—reviews written by volunteers, donors and clients. People posted their personal experience with the nonprofit. For example, one person wrote, "The Hope of Survivors was a supportive and insightful ministry that reached out to me in a time of shock and huge life changes post abuse. I was thankful for their support, the kindness they gave, the educational seminar that was presented, and the prayerful interest in my journey of healing."

While the Top-Rated Awards run through the end of October, The Hope of Survivors was part of the inaugural group to qualify for the year.

"Savvy donors want to see the impact of their donations more than ever," said Perla Ni, CEO of GreatNonprofits, "People with direct experience with The Hope of Survivors have voted that the organization is making a real difference."

Being on the Top-Rated list gives donors and volunteers more confidence that this is a credible organization. The reviews by volunteers, clients and other donors show the on-the-ground results of this nonprofit. This award is a form of recognition by the community.
