Dear Friends,

I’d like to invite you to be a part of something special--something new and exciting that we are just now putting together. If you have been abused by someone in the role of spiritual authority (i.e., pastor, deacon, elder, Bible worker, Christian school teacher, etc.), and have been helped by The Hope of Survivors in some way, we invite you to pick up your smart phone or video camera and start filming!

What we’re looking for is a short video clip of you talking about why The Hope of Survivors was helpful to you and the impact the organization made on your life. We will be using these video clips (they should be 1-5 minutes in length) for our advertising and promotional campaigns on the website and in other venues. Your submission of a video indicates your permission for The Hope of Survivors to use the video for awareness and promotional purposes. Please send your video clip to help@thehopeofsurvivors.com as soon as possible.

With so many cases of clergy sexual abuse being reported daily now, it's time to speak out and let others know there is a place they can turn for hope and healing. You have been blessed by The Hope of Survivors, now please help someone else to find the blessing they need. Thank you!

Also, please don’t forget the next 3-Day Hope & Healing Intensive for individuals is taking place March 21-23. Register online now, or call us at (618) 983-6434. Scholarships are available if needed. If those dates don't work for you, please check out the yearly schedule, or call to make special arrangements.

Thank you for your prayers and support,
Samantha Nelson
Vice President & CEO
