Dear Friends,

There are always many needs and challenges we face here at The Hope of Survivors. The requests below represent an overview of the current needs of the organization. These needs exist because of the services we provide to victims of clergy sexual abuse around the world. The devastation they experience is real. Often The Hope of Survivors is their main, if not their only, source of emotional and spiritual support as they recover and heal. Please join us in praying about the following:

- Spiritual discernment for ministry direction and growth
- Health and wisdom for all volunteers and directors (in all divisions)
- Healing for victims and their families around the world
- Raising awareness of The Hope of Survivors and its services (in all divisions)
- Finding the right volunteers/staff (we need an executive assistant & victim phone support volunteer)
- To meet $225,000 fundraising goal (at $72,166 as of 11/14/14)
- Projects (youth DVD, pastor's training DVD, repairs at facility, etc.)
- Volunteer training and implementation (in all divisions)
- Opportunities for training pastors (in all divisions)
- Opportunities for victim's conferences (in all divisions)
- Funds for travel expenses to conduct seminars in Australia
- Securing funding to buy or build healing center for abuse victims in Romania
- Funds for travel expenses to conduct seminars in Romania
- Funds for travel expenses to conduct seminars in the UK
- Funds for travel expenses to conduct seminars in the US
- Incorporation process and funding for Canada and the UK

Though this list is not exhaustive, it includes many of our primary needs at this time. Thank you for taking the time to pray for this ministry, those we serve, and all who sacrificially give of their time, talents and means.

God bless you!
Samantha Nelson
CEO
