Boasting an international reputation as one of the most popular brass ensembles, Canadian Brass has four decades under their belt. With a discography of over 90 albums and an extensive world-wide touring schedule, Canadian Brass is an important pioneer in bringing brass music to mass audiences everywhere.

Current members include: founding member Chuck Daellenbach, tuba; Christopher Coletti and Brandon Ridenour, trumpets; Keith Dyrda, trombone; and Eric Reed, horn. With their fun-loving charisma, Canadian Brass brings genres of all types together—big band, Broadway, Renaissance and jazz to name just a few.

Friends Chuck Daellenbach and Gene Watts formed a brass quintet in 1970 which developed with new repertoire, creativity, and energy. Since then, Canadian Brass continues to thrill audiences around the world - and they don't look like they are letting up anytime soon!

Tickets are $35 and reserved seating. Flex Series tickets available for $30 a ticket when purchasing tickets to four or more concerts. Andrews University Student tickets are $10. Faculty & Staff tickets $30.
