Adventist Musicians biography project . . .

Thank you for the great response to the IAMA Adventist musicians’ biography project. Both your contributions and orders for books have been most gratifying.

We will be shipping the book beginning May 1, be sure to send payments and/or contributions ASAP. We would like to include you in those first mailings!

So far, in addition to orders from SDA libraries and music departments, orders have been placed by three non-SDA universities for their libraries.

Best wishes as another school year comes to an end!
