We’re Back! We Had a Great Time
A Book Fair is an excellent outlet for our books ....

DON’T KNOW WHY WE’VE NEVER THOUGHT OF THIS before. A Book Fair is full of people who read books. People who read books are generally the people who change the world. People who read books are often thoughtful people. Books educate the people who read them. Books inspire the imagination. And right now, like it or not, the imagination is where we store our pictures of heaven.

The imagination is where we hear the voice of God speaking to us in a language and a tone we understand. In our minds we are constantly drawing pictures of the heavenly realms. In our minds we reason with God; we pray; we love; we suffer. And in our minds is where we plan for the future.

A book will give a person information calculated to help them make a decision. A book contains ideas; raw intelligence; recipes for success — or failure; instructions for putting things together — or taking them apart. A book can teach you how to perform delicate surgery; build or strip down an engine.

In our case, we are providing books designed to help a person make a decision which will help them get to know and meet their Lord. Our books contain predictions of what a person may expect from their leaders, their churches, their families and their friends.

We encourage you to be about the business of educating the world you care for. Another year has passed into the past. Here we are closer to our Lord’s return than we have ever been.

Including ours, more than 10,000 books were given away during the event. It is estimated that 100,000 people attended the Fair daily. Throughout the week school buses unloaded their passengers hour after hour. At the weekend visitors from all over South Florida arrived to enjoy this smorgasbord of reading materials.

We were blessed to have been a part of this distribution. Check the papers in your area to see if a book fair is scheduled in the coming year. If no event is planned, how about suggesting one?
