Dear Friends and Family,

The Miracle of Rain

We received some wonderful news from Israel Prasad, our JFA Director in India. While spending
some time at the new orphanage, Israel listened to the children excitedly share a miracle story with him. Apparently, the orphans had been on the roof top praying for rain - for nearly two hours! God heard and answered and sent rain that lasted for nearly two hours. Then, again, the next day, they prayed for rain and it rained again! The prayers were sent up in response to the drought that has been affecting that particular area of India for several years.

Israel told Natalie that he was so happy that God was answering the prayers of these beautiful children and honoring their faith. Is God in the business of hearing needs and answering prayers? Yes, indeed! What a faith-building experience for these orphans. Thank you, God!

Bible Worker Testimonies

Below are two Bible worker testimonies. We're grateful for the dedication of the Bible workers and for the amazing work they're doing as day by day they walk with God in search of lost souls.
Annie is a Roman Catholic believer, very faithful to Mary, the mother of Jesus. Annie is the only one not married in her family, which causes her parents and relatives to worry much. Our Bible workers visited Annie’s home, shared truths and gave counseling on what the scriptures say about marriage. Annie stated she’d like to have a marriage based on the Bible. Annie’s parents and other relatives were thrilled that Annie now wants to marry. In time, by the grace of God and through earnest prayer, Annie got engaged. She says that she and her future husband plan to live the wonderful Bible truths. Amen!

Puja and her husband, Jeevarathnam, have two sons who live in Ayyanavaram. Puja suffers with severe pain in her eye, ear and head. Being depressed and worried about her health problem, she accepted the Bible workers into her home when they came to visit. The Bible workers not only prayed and comforted Puja, but also gave her water therapy. As she underwent this treatment, she was released from the severe pain. As the Bible workers treated Puja, they shared our truths and prayed earnestly with her. Within a week of continual treatment, Puja was completely cured and states she would like to regularly attend the Sabbath services and be baptized. Praise God!

"Then Elijah said to Ahab, "Go up, eat and drink; for there is the sound of abundance of rain." So Ahab went up to eat and drink. And Elijah went up to the top of Carmel; then he bowed down on the ground, and put his face between his knees, and said to his servant, "Go up now, look toward the sea." So he went up and looked, and said, "There is nothing." And seven times he said, "Go again." Then it came to pass the seventh time, that he said, "There is a cloud, as small as a man's hand, rising out of the sea!" So he said, "Go up, say to Ahab, 'Prepare your chariot, and go down before the rain stops you.' Now it happened in the meantime that the sky became black with clouds and wind, and there was a heavy rain."" (1 Kings 18:41-46)
