Dear Family and Friends,

One of the exciting things about working with Jesus for Asia is hearing the incredible miracles and answers to prayer that the missionaries experience. I have three to share with you today:

"Good Bye to the Devil" - Gayle Haberkam
"Last night after dark, two people came from GeGah village. They asked for us to please come to their house because both their parents were very sick...they thought the demons were possessing them. They said it was terrible, could we please come and pray! ...BletJaw and I took off on the motorbike with a small supply of medicine and a big prayer!! That night ride was so interesting, in the dark, on a very steep and difficult pathway - branches and vines grabbing at us, rocks and streams hindering our progress! When we arrived, I found the woman bundled up with dozens of blankets and a temperature of 104.5! Her right lower leg and foot was in excruciating pain! She was throwing up and VERY ill. The man was a disaster, he also had a fever and was shaking all over. He could not stop. His muscles and neck hurt so bad from shaking for two days and the entire night before. He could hardly talk. We treated them as best we could and then I was asked to do the most honored thing...Read more

"The Power of Miracles" - Rodney and Phimpa / Love and Care Foundation
"I want to encourage all of us to follow God and His calling for us. All of us are able, through Christ, to work miracles. That is His plan. God is doing His work and His kingdom on the earth is growing. We need to pray and move now and do the work He has preset for each one of us. I want to tell you what happened, how God is so good and sets things up so well. It is not by my prayer, but by His will and His doing. I had a dream from God on Thursday and it came with the Bible passage Malachi 3:3. I told God that if He wanted me to do what He was asking, then He needed to bring the people to me to give them the words He wants them to hear. I went down to Pattaya last Sunday to speak at a small church we work with. While I was there, I had planned to visit a member of the church who had been in the hospital with a badly swollen leg. She had been in the hospital for two nights but was not getting any better. When we arrived at the hospital...Read more
Praise God for those who are able to give to support the missionaries working on the front lines. A few weeks ago, we mentioned a need for piping to water gardens in order to bring in clean drinking water from a spring, along with the need for a hand tractor with tiller, trailer, rubber wheels and metal wheels to use in the mud (to till gardens, run pumps, flour mills, rice huller generator, etc...), both items totaling $5,000. Within a couple weeks, this money came in! Thank you so much, donors, for helping and supporting the work Travis is doing. He will be able to build the school more efficiently and have clean water for the kids to drink. Praise God!

The Philippian Jailer Saved

"But at midnight Paul and Silas were praying and singing hymns to God, and the prisoners were listening to them. Suddenly there was a great earthquake, so that the foundations of the prison were shaken; and immediately all the doors were opened and everyone’s chains were loosed. And the keeper of the prison, awaking from sleep and seeing the prison doors open, supposing the prisoners had fled, drew his sword and was about to kill himself. But Paul called with a loud voice, saying, “Do yourself no harm, for we are all here.” Then he called for a light, ran in, and fell down trembling before Paul and Silas. And he brought them out and said, “Sirs, what must I do to be saved?” So they said, “Believe on the Lord Jesus Christ, and you will be saved, you and your household.” (Acts 16:25-31)
