**Urgent** Need: Orphanage Boys Dorm / Concrete Fence

There is an urgent need to build a boys dorm and a concrete fence surrounding the orphanage property in South India. Due to new government regulations, the orphans are at potential risk of being taken away by the government if we do not show that building of the dorm and fence is in process. We are praying for the funds necessary to begin building as soon as possible and ensure the safety of our orphans.
If you would like to donate to the need for a dorm and/or a fence on the orphanage property, please call 423-413-7321 or donate on the link below. Thank you!

"The church is God's appointed agency for the salvation of men. It was organized for service, and its mission is to carry the gospel to the world. From the beginning it has been God's plan that through His church shall be reflected to the world His fullness and His sufficiency. The members of the church, those whom He has called out of darkness into His marvelous light, are to show forth His glory. The church is the repository of the riches of the grace of Christ; and through the church will eventually be made manifest, even to "the principalities and powers in heavenly places," the final and full display of the love of God."
