Hope for Bangkok - *Spreading the Message of Hope in Bangkok*

We are requesting prayer and feedback regarding the Hope for Bangkok Program in Thailand.

Hope for Bangkok has established twenty-nine church plants and conducted baptisms as a result. The beauty of this movement is that it has sparked a lay movement, as well. Half of the church
plants mentioned are driven by lay members and one of the church plants has a restaurant. In spite of these positive happenings, city work is expensive and the budget is no longer there. The program could be forced to close by the end of the year. Shutting this down would mean taking us backward, instead of forward in the work.

We are asking for prayer from you, our supporters, for clarity and direction as to how JFA could be involved in helping this situation. We would love to see this valuable program continue to win more souls for His kingdom!

"When hearts sympathize with hearts burdened with discouragement and grief, when the hand dispenses to the needy, when the naked are clothed, the stranger made welcome to a seat in your parlor and a place in your heart, angels are coming very near, and an answering strain is responded to in heaven. Every act of justice, mercy, and benevolence makes melody in heaven. The Father from His throne beholds those who do these acts of mercy, and numbers them with His most precious treasures. "And they shall be Mine, saith the Lord of hosts, in that day when I make up My jewels." Every merciful act to the needy, the suffering, is regarded as though done to Jesus. When you succor the poor, sympathize with the afflicted and oppressed, and befriend the orphan, you bring yourselves into a closer relationship to Jesus." (A Call to Stand Apart, pg. 60)
