If you haven't filled out the survey, your time is running out. There are just three days left, and your chances of winning the iPad Mini are still excellent! Your input is invaluable to us, and we want to continue promoting this vital ministry targeted at the 70% of Adventist youth attending pubic high schools!

For those actually spending time on the site and taking the survey the response is still overwhelmingly positive--100% approval rating! Yesterday we had 43 visitors who watched 27 videos and surfed the rest of the site as well. More people were added to the network and the newsletter list.

9 minutes in length and great for showing to your youth group and/or church.

**Jesus Living in You** is the portion of the site that helps you to be connected to Jesus in an intimate way so that all your outreach can be powered by Him. Here you will find new ideas for structuring your devotional life and dozens of devotional readings by authors such as, Dwain Esmond, John McCann and Scott Ward. If you are a devotional writer please submit your ideas at [http://livingiths.org/contact](http://livingiths.org/contact).

**Outreach Ideas** are just that—ideas for reaching high school students in their world, both on and off campus. All of these ideas have been tried and found to be effective. The ideas have been contributed by various youth pastors and youth directors around the NAD. This is not a one person show—it’s a movement!

**At-Risk Help** is contributed by Loma Linda University’s Behavioral Health Institute. Here you will find overviews of various at-risk behaviors that you may encounter and ideas for helping to deal with each kind of situation. This is an invaluable resource!
