Happy Birthday!

The Living it website turned 1 in March. To celebrate we've given our home page a face lift! Take a look. One year and going strong thanks to your support, the North American Division's sponsorship, and Jesus Christ who sustains us. Please continue to spread the word about this ministry by sharing it with your friends and neighbors.

LI WEBSITE OVERVIEW

The Living it Resource Center has four main sections to help you:

Video Testimonies are filmed by the Living it video crew, and includes: Student Testimonies, Leader Testimonies and Outreach Ideas. All videos are 3-9 minutes in length and great for showing to your youth group and/or church.

Jesus Living in You is the portion of the site that helps you to be connected to Jesus in an intimate way so that all your outreach can be powered by Him. Here you will find new ideas for structuring your devotional life and dozens of devotional readings by authors such as,

Jesus Living in You

The Adventist Review

Keep your eye out for the April 11 issue of the Adventist Review. An article written by Pastor Scott Ward about Public High School Ministry will be featured on the cover!

New Videos!

Here are some great new videos to promote and feature throughout your church and conference. Let everyone know what Living it has to offer!
Dwain Esmond, John McCann and Scott Ward. If you are a devotional writer please submit your ideas at http://livingiths.org/contact.

Outreach Ideas are just that — ideas for reaching high school students in their world, both on and off campus. All of these ideas have been tried and found to be effective. The ideas have been contributed by various youth pastors and youth directors around the NAD. This is not a one person show—it's a movement!

At-Risk Help is contributed by Loma Linda University’s Behavioral Health Institute. Here you will find overviews of various at-risk behaviors that you may encounter and ideas for helping to deal with each kind of situation. This is an invaluable resource!

Video Testimonies:

Garrison Chaffee

Pastor Garrison's testimony is near and dear to the mission of Living it. His life changed drastically when he began attending public school and his parents' relationship was on the rocks. Because of the influence of a positive mentor, Garrison rekindled his relationship with Jesus, and today he is devoted to ministering to teens in public school.

Willy Ramos

Willy Ramos, the Ghetto Preacher, slept all night with a gun in his mouth as he contemplated suicide. Jesus worked a miracle and saved Willy's life that night. Today, as an author and public speaker, Willy reaches out to troubled teens. You can find more information about Willy’s ministry on his website: www.ghettopreacher.com.

On the Road

The Lake Union Youth Evangelism Congress in February was a great success and Living it was proud to be there promoting Public High School ministry. The response was tremendous!

This month the Living it team will be presenting seminars at the West Coast Youth Congress in Ontario, CA.
