Happy Mother's Day!

Blessed Is She...

A glimpse at the women in the Bible, from Eve, to Sarah, Jochebed, Hannah, Elizabeth, to Mary, and many others, unveils the secrets of motherhood. God appreciated their true worth, just as He does today. Motherhood is one of life's highest callings.

Becoming a mother is not the end but the starting point, not a title but a role, not the final destination but the beginning of a journey! With the fulfillment of the desire or promise comes a life of service and sacrifice.

We are grateful for all the mothers in the LLBN family and we want to honor each one. That includes everyone who gets involved in any way, from participating on each network in any activities, here in the studios and the office or far away, as a regular contributor or as a guest, or watching our programs.

God bless you, MOM!
