Upcoming Volunteer Projects

Maranatha offers a number of projects each year that welcome anyone who wants to volunteer, no matter your skill level or expertise. We call these Open Team Projects and they're a great way to meet new people from all walks of life.

Right now Maranatha has a number of Open Team projects to choose from.

Get your paint clothes ready for a project in Nueva Guinea, Nicaragua October 18-30. You and your new-found friends will paint a large elementary school and get it ready for classes to begin.

From October 25 – November 7, Maranatha will host an open team project in Bulawayo Zimbabwe. You can meet new friends while laying block for a new Education and Evangelism Center.

If those dates don’t work, you can join a second wave of volunteers headed to work on the same school from November 1-13.

If India intrigues you, join our Open team project in India October 30 – November 11. You’ll get a chance to experience village life in India and meet people from around the globe.

How about a family mission trip over Christmas? The location is being determined, but the dates are solid--December 19-30, 2012.

Help build a One-Day School campus in Falakata, India January 16-28, 2013. This school in West Bengal desperately needs new facilities and serves students from India, Bhutan and Nepal.

Be part of a large school building project in Livingstone, Zambia from January 22-February 3, 2013. You’ll help build an urgently needed school and experience Victoria Falls.

If the first Falakata, India project doesn’t fit your schedule, we have another opportunity to help build a new school from March 12-24, 2013.

Additional projects are available on our website. Sign up today for a mission adventure!
