Maranatha Romania is organizing from February to October 2011, 5 public evangelistic campaigns. The campaigns target cities with no adventist presence of the western part of Romania in Bihor and Hunedoara counties. First campaign took place in Valea Jiului, Hunedoara County, between 12th-19th of February. As a result, eight people are preparing for baptism. The next three following campaigns will take place in May, and the last one in September-October. Following these evangelistic campaigns we wish to form core small groups that will develop in time to become 5 new adventist churches, one in each one of these cities. In view of the great endeavor that we seek through the evangelistic campaigns we need and ask for your support in prayer and intercession for those cities, for the missionaries involved and for the speaker, so that the Holy Spirit will manifest His power. The Banat Conference and Maranatha Romania had finalized a new protocol of collaboration

Author: Maranatha Romania  |  04 Apr 2011

In January 2010 Maranatha Romania had finalized the first protocol of collaboration with the Banat Conference and in the same time has begun planting churches in the west part of the country. During 2010 the missionary and social activity of Maranatha Romania has developed to such an extent that, in March 2011 a new protocol of collaboration has been finalized between the Banat Conference and Maranatha Romania through which the collaboration directives have been currently determined. Thus, Maranatha Romania is an Adventist missionary organization which has also as final objective church planting in the districts: Caras Severin, Bihor, Hunedoara, Timis and Arad. In order to reach its objective, Maranatha Romania:

- trains, sends and sustains missionary teams in zones where Adventists are not present;
- performs the following activities: missionary, social, educative and health wise;
- in achieving the projects and effective church planting, collaborates with the leadership of the Banat Conference, with the local pastors and churches in the areas where its activities are performed.

We are making an appeal to the entire brotherhood to sustain us in prayer so that God may further manifest in our work, His power and glory.

The church in the house – in Valea Jiului area from Romania

Author: Maranatha Romania  |  04 Apr 2011

For approximately three months, in one of the cities in Valea Jiului where Maranatha Romania sustains missionaries, the first “church” has been established – ten persons which are seeking the Lord. During the public evangelism that took place in this city, this number increased, and at present at the commencement of each Sabbath we meet for worship and Bible study, in a brother’s house. Also each Sunday we meet for in depth study of the Scriptures and preparation for baptism. The space we have at the moment is inadequate for our meetings. We need your support through prayer that soon in this city we may have space for an Adventist church. At the moment six persons that we study with have verbally made known their intent to prepare for baptism, after in depth study of the Word. Read more... »

SEE VIDEO – Preparation for baptism in Jiu Valley (ROMANIA)

Author: Maranatha Romania  |  08 Mar 2011

First public evangelistic campaign organized by Maranatha Romania in Jiu Valley has finished. The Evangelistic meeting lasted from 12th -19th of February. Samuel Negoiescu, President of Maranatha Romania was the main speaker who presented God’s word. The theme of the meetings was “Whither is our world heading to?” addressing topical issues such as ‘The end of the World and the Armageddon’, ‘the mark of the Beast’, ‘The Antichrist’, etc. Every evening we’ve had in attendance about 50 children and an average of 30-35 adults. At the end of each evening, we’ve made altar calls, bidding people to reconcile with God and to receive Jesus into their hearts. Maranatha Romania offered everyone the opportunity to study God’s
word more profoundly by organizing weekly bible studies presented by Samuel Negoiescu. Read more… »

Mrs. Rozaria is bedridden as she is very ill. With help from a few doners and senible volunteers we managed to clean her little home and to buy a few necessary things for the home, especialy a new heater because the old one didn’t work anymore and in the house it was as cold as outside. This made Mrs. Rozaria so happy, she had been hoping and praying for a long time for a little warmth, especially since she cannot move so that she may warm herself up a little. Her state was truly deplorable. We want to continue helping Rozaria. As you may see in photos, her home is in bad shape. Read more… »

For the second consecutive time, our association has organized help for homeless children and people who received food and a warm meal at the end of the year. Even though it was a spontaneous event, it is an unique opportunity we have to talk to the children and the homeless people about God’s love and His care for us even in the difficult situations they are in. Most of these children ran away from home because the parents were aggressive, drunks or come from broken homes. Once they reach the streets, they live in miserable living conditions, in sewers, eating from trash and begging for money. Unschooled, without education, without guidance and the love of their parents, they fall easily into addictions and immorality. Read more… »

Maranatha missionaries from Bihor county, in cooperation with a team of volunteers from Sicula, Ineu and Sepreus churches from Arad county have organized on January 28-39, 2011 a weekend of literature evangelism. 600 books have been distributed door-to-door and 9 people signed up to receive Bible studies at home from our missionaries. We thank all those who have supported this project.

Maranatha Romania http://maranatharomania.net/
100,000 people from Valea Jiului need Jesus. The only solution for now to reach each person is to leave in each family a book that would talk to them about God and that would call them to repentance. Therefore, Maranatha Romania initiate the project “Salvation Call in Valea Jiului” through which we want to offer a book for each home in Valea Jiului. We need 35,000 books that would be distributed in the cities: Uricani, Lupeni, Vulcan, Aninoasa, Petrosani si Petrila. The whole missionary team Maranatha Romania from Valea Jiului will be engaged in organizing this project, beside other voluntary brothers from the western area of the country. The books will be bought from the publishing house “Viata si Sanatate” from Bucharest.
