In May 2010 all Maranatha Romania missionaries gathered in the home of missionary Mugurel Patitu to pray to the Lord to send 8000 euros so we can buy a building for the church and Social Day Center for disadvantaged children in the Jiu Valley area. Shortly, the owner of the house had a dream in which God said that on June 27 (2010) she will receive the money for the house from us. We did not want to believe her, but Maranatha Romania received the money through sponsorship exactly on June 27, 2010, just as she was told in the dream. Then, the required building work was made, which lasted from January 2011 to May 2011. With the Lord’s help, in July we will start working here with children and their parents. Our goal with this building is setting up a church in this neighborhood. Below we offer videos from during the construction work. Maranatha Romania thanks the sponsors involved in buying and furnishing this facility. For further details: maranatharomania@gmail.com or tel: 0766 365 833 or 0749 402 098.
