Adventist Mission – Help a girl 13 years old to have a bed to sleep

Posted: 20 Sep 2011 03:17 AM PDT

Alexandra was abandoned when she was a little girl, by her father. Now she lives
alone with her mother in Caras Severin, Romania. Unfortunately, her mother lost a leg by amputation five years ago.
So Alexandra had to do all the work in the small house. Alexandra prepare food, wood cracks, wash clothes, etc. Both
live on disability pension 230 lei ($ 70) . Barely survive from month to month. Maranatha Romania Adventist
Mission since five years help this family with food, firewood, clothes and school supplies. Two weeks ago Alexandra
received from us again, all the school supplies she need in school year 2011-2012, as well as food. But now their great
is the lack of a proper bed to sleep. Both now sleep in a bed very old and broken. Also chimney house has collapsed
and will not be warm in this winter. Also urgent need of firewood, because they do not have money to buy.
Maranatha Romania Adventist Mission wants to help this family with a bed, firewood and chimney repair.

Here are the costs:

Bed = $ 280 (transport and mount included)

Firewood = $ 350 (for all winter, brought home cracked)

Repair chimney = $ 80 (only cost for materials, labor will be made by adventist volunteers)

TOTAL = $ 710
Those who want to help this family can do it by donating funds in the following ways:
