Jiu Valley is one of the poorest areas of Romania. In this area there are 6 cities with approximately 170 000 inhabitants. Maranatha Romania works in several cities in this area in the Adventist church planting, supporting missionaries. In the following months we would like to share literature in this cities where our missionaries are working. The area is very large, how many missionaries are in the area is physically impossible to reach everyone. But our books can reach them and the Holy Spirit can move hearts and at the right time they will receive Christ as Lord and Savior. This work will be a long-lasting work and we believe that God will help us. But we need books, a total of 15 000 books. These books will be purchased directly from Life and Health Publishing (Romania). We call on all brothers who wants to support this work.

**We want to buy these books:**

- The triumph of God’s love – 1,5 RON
- Steps to Christ - 1 RON
- The true day of rest – 1,5 RON
- Great Controversy - 8 RON
- Life of Jesus - 8,5 RON

In May 2011 Maranatha Romania organized the first project with a health club in Bihor County. Following this action we were able to visit at home more than 150 people, of which 30 have borrowed books from us. We still keep in touch with these people, our missionaries befriending them. We want to lead these people to a Bible study, so that they finally receive Jesus as Savior. Now we want to extend this project in all cities where we have supported missionaries in the Adventist church planting. We have a team of doctors and nurses who will help us. But we need your financial support for these clubs to take place. We want to organize five of this clubs.
Here are the approximate costs:

Medical team (2 cars, distance 300 km) = 600 Ron
Medical supplies = 400 Ron
Protocol (a snack for physicians and team) = 100 Ron
Health literature that we want to offer as loan (the best way to befriend people) = 1000 Ron
Other unexpected expenses = 200 Ron

TOTAL = 2300 Ron for each club

And for all the 5 clubs we need 11500 Ron

Give a warm meal for 200 homeless children during the Winter Holidays

Posted: 04 Nov 2011 08:56 AM PDT
For the third consecutive year, Maranatha Romania organizes a charity action during the Winter Holidays for 200 homeless children from Bucharest. We want to offer them a warm meal where they are, on the street. Many times we pass by them, perhaps giving them money, but rarely gives them someone a warm meal. On Winter holidays, we probably think of different gifts, or trips for our children. But we invite you to think at the homeless children too. They don’t have parents. They don’t know what “mother” or “father” means. They don’t know what it means for someone to care for them, as we do for our children. Maranatha Romania invites you to join our efforts, so we can give a hot meal for 200 children from the streets of Bucharest. For this, we need 4000 Ron. This action will be accomplished through our volunteers, from Bucharest.
