Just Walk Across the Room

What if you knew that by simply crossing the room and saying hello to someone, you could change that person's life forever? Just a few steps to make an eternal difference. It has nothing to do with taking a genuine interest in another human being. All you need is a hear that's in tune with the Holy Spirit and a willingness to venture out of your "Circle of Comfort" and into another person's life.

Just Walk Across the Room brings personal evangelism into the twenty-first century. Building on the solid foundation laid in Becoming a Contagious Christian, Bill Hybels show how you can participate in the model first set by Jesus, who stepped down from heaven 2,000 years ago to bring hope and redemption to broken people living in a fallen world. Now it's your turn. Your journey may not be as dramatic, but it can have a life-changing impact for someone standing a few steps away from you - and for you as well, as you learn to power of extending care, compassion, and inclusiveness under the guidance of the Holy Spirit.

The highest value in personal evangelism is cooperating with the Spirit, says Hybels. This cooperating with the Spirit, says Hybels. This means playing only the role you're meant to play - walking when the Spirit says walk, talking when the he says talk, and falling silent when he suggests that you've said enough. Hybels encourages you to "live in 3D" . . .

Developing friendships
Discovering stories
Discerning appropriate next steps
. . . as a means of learning to understand the Holy Spirit's promptings. With fresh perspectives from his own reflections and experiences collected during his most recent decade of ministry, Bill Hybels shows with convincing and inspiring clarity the power of this personal, richly relational approach to evangelism.
