IGNITION/JCI Young Adult Mission Trip – Port-au-Prince, Haiti – Our young adult team is pleased to announce that we have partnered with Restore a Child (A Not for Profit Organization) to bring happiness to children in Port-au-Prince, Haiti. Participants will arrive in Miami (rendezvous) and then go on to Haiti as a group. The cost for the mission trip is only $200.00 for 5 days. Dates are February 14-19. Restore a child has an orphanage and agriculture projects that will greatly appreciate your help. They also have a very comfortable guesthouse that will accommodate 25. First come first served. The plan is to serve and then return to JCI for a mission highlight during General Session.

Important Details about JCI / Ignition

Congress Services – Please be reminded of Registration dates and Deadline. Group rate for 4 or more has already passed but will be extended. The early bird for package for individuals and the Inclusive Package ends Nov 1 but will possibly be extended. We need everyone’s help getting the word out so please urge your networks to make their reservations.

Hotel Reservations Update – The Doubletree Hilton &
Convention is where JCI will be held. We have rooms available for those who would like to make their own reservations. To make reservations call 305-261-3800 and use the code Seventh-day Adventist. For those who are purchasing the Inclusive Package DO NOT contact hotel. Once you purchase your package we make your reservation and assign your room.

**Doubletree Hotel Rate:** $169 per night.

**Meals:** The meal package consists of 6 meals. Mainly Lunch and Dinner on Thursday, Friday and Sabbath. The hotel has sandwich shops and a Starbucks type cafe. There is also a Publix grocery store, fast food restaurants, and shopping center approximately one mile away on the same street.

**Programming** – We have added two additional speakers as special features
- Patrick Dupree – A youth pastor from Montreal Quebec Canada. He will share in a unique format his phenomenal call to ministry. He will tell a story using 5 minutes during each general session and end at the closing program.
- Leigha Tew – is a student at Avondale College in Australia. She will bless our youth using a style called the Spoken Word to summarize the message from all the speakers.

**Workshops** – We are excited about the workshop being planned. Attendees will have many to choose from. The list that is posted on the website does not include Jesus in the City outreach training. Updates of complete list will posted in about a week.

**Workshop Presenters** – We are in need of a few more VOLUNTEER PRESENTERS who are already planning to attend the event given we are not able to cover their expenses. We have a rich history of top-notch committed individuals who have volunteered through the years to help the cost of these conventions stay at a minimum for our youth. We are grateful for the number of Conference Youth Directors who have agreed to conduct workshops.

**Young Adult Program Coordinators** are working extremely hard to finalize the *Ignition!* program. This will be like a conference within a conference. However we will share together during the General Sessions. Young Adults will be blessed -- guaranteed. Please see the purpose and outcomes established for the Ignition Conference on the website under “Ignition.”

**Prayer Needed** – We really need your prayers as we realize that God is about to do some great and awesome through the JCI prayer ministry. We are blessed to have 2 conferences in the state of Florida who have embraced this as THEIR event and are promoting it as such. The number of volunteers asking to be involved is amazing. Pray that this spirit will take place around NAD and the World.

**Miami Site Visit** – Part of the planning team is presently in Miami to begin orientation and training youth leaders and pastors to help direct JCI. We will meet with leaders Thursday, Friday and Sabbath at the Bethany Church. The walk through was very successful and leaders gave some great suggestions. The facility is very versatile and will allow us to be as creative as we desire.

**JCI Youth Prayer Resource** – the plan is to launch this local church resource during JCI on Sabbath morning. The JCI Youth Prayer Movement is expanding and this resource will allow local leaders to engage their youth and young adults in a prayer ministry. In the future this resource will also connect young people who are able to attend a convention to participate from home. A draft will be shared with union leaders before it is released.

**Support from Unions & Conference Administrations** – Organizers have been contacting union and conferences administrations to appeal for support for pastors to escort their youth and accompany their young adults to JCI/IGNITION. We are pleased at the support. Official votes have been taken to support this appeal by most.

**Social Media** – We have a great group of young people who are leading out in creating a buzz for JCI via the social media networks. They are appealing that you help educate people about JCI by going to JCI facebook, like our page, share encouraging messages on the your timeline, etc. Please promote JCI only because it is YOUR EVENT.

**Research - NAD Building Blocks** – The Barna Group has just completed the latest research on SDA young adults. The results are very interesting. We will release this information following our year-end meetings later this month once it has been shared with all the church administrators from conference and union. The result will verify the need for ministries like JCI and others in order to combat the problem of youth and young adult attrition in the SAD church. There is no time for politics in youth and young adult ministries. Every union and every conference is affected. If ever there was a need for coming together for prayer and supporting each other that time is now.
