CLYP Training for only $1!

Certified Lay Youth Pastor (CLYP) Scholarships NOW AVAILABLE!

Breaking News!

The Certified Lay Youth Pastor (CLYP) Scholarships are NOW AVAILABLE offering a 6-9 month training experience for only $1!

Contact your UNION YOUTH DIRECTOR / REPRESENTATIVE IMMEDIATELY, since each union will be allotted ONE scholarship for each conference within their union. The cost for the training has been reduced by $50, so the cost for each participant is $249. The scholarship amount will be $248 and when you are registered online, you will only pay $1. The online registration system is at www.clyponline.com. YOUR NAME AND EMAIL ADDRESS must be submitted (see details below) by your conference/union prior to your registration in order for you to be able to register for only $1.

Each conference will be allowed 30 days to get their selected person committed and registered. The dates for this special registration will be November 1-30, 2014. This date coincides with the beginning of the next new class. There will be a special webinar on December 14, 2014 to welcome everyone on board this awesome training experience.

Selected name must be submitted via your UNION YOUTH DIRECTOR OR REPRESENTATIVE to Lance Mishleau at Lance@LanceMishleau.com and Sharon Wright at sharon@ccharacter.com. If a union or a conference does not respond within the 30 day time frame, other conferences will be allotted more than one scholarship. During this same 30-day period, the same discount will be granted to the public yet without the scholarship discount. Registration will only cost $249 for 6 to 9 months of training.

We are excited in that this plan will plant a Certified Lay Youth Pastor Volunteer in each of our conferences in the North American Division. We hope that this person, once trained, will become an advocate for others in their conference to take the training as well. The goal is to have a lay youth pastor volunteer in every church. IS THIS YOU?

To support the cause of remedying the tragedy of losing so many youth during their high school years, we pray that by training volunteers how to minister to the needs of youth in every church, the current trend will change.

Please join me in setting a goal for a minimum of 59 new Certified Lay Youth Pastor Volunteers in the NAD. Again, the larger vision will be to eventually have one in every church. Please share this time sensitive information with your directors.

Blessings
Pastor JB
