Hello again,

If you are interested in providing coverage for Lilongwe but can’t afford to provide your own airfare, please contact our office. We have a donor willing to help with the cost of 1 airfare for a willing volunteer.

Please contact Katie Andreassen as soon as possible if you are interested in helping out in Lilongwe!! Her email address is: kandreassen@llu.edu.

Thank you,

Doyle R. Nick, DDS, MS - President
National Association of Seventh-day Adventist Dentists

Dear Friends,

We appreciate your kindness in allowing us to notify you of volunteer dental opportunities. The mission dental clinics throughout the world are doing a great job in providing kind and compassionate care to those around them. Would you please consider this opportunity to help out by volunteering for the clinic in Lilongwe, Malawi?

We know this is a very late notice but our office received this request just today! The clinic is seeking a relief dentist from June 24 to August 9. The clinic can only provide accommodation, food for those dates and a stipend of $500. There is no additional assistance available for airfare or other expenses.

Please contact Katie Andreassen ASAP if you are interested in helping out in Lilongwe!! Her email address is: kandreassen@llu.edu.

Thank you for considering this opportunity.

Cheers,
