What an Amazing time of the year it is! Summer time to enjoy each other, the sunshine, some hard work, and most of all God’s creation. As I look outside and see the bright colors and the green lush grass I just can’t help but be thankful. I’m thankful that we have this life given to us to enjoy and prosper, to be productive, to be joyous and to be Amazing.

The rules for being Amazing
Robin Sharma

NASDAD is amazing! We give, we live with values, and we excel and exude passion. We inspire each other and dream big. NASDAD is going the distance and we’re so excited to invite you to San Diego and the Kona Kai resort for our annual convention.

**Invite your friends and your colleagues to make this a connecting time for all to learn and to grow.**

Amazing CE! We’ll be focused on the goal of “restoring the damaged dentition”. From several viewpoints we’ll be tackling and simplifying how we can better treat our patients. From Gums and Teeth to Team and Growing you’re guaranteed to get more than a few nuggets to take home.

Amazing Connection! We’ll hear stories from around the world of wonderful things being done, connect with what God is doing in the hearts of our peers and, see what he’s doing in yours. Rekindle old friendships and start new ones. You’re guaranteed to expand your network here at NASDAD.

Amazing Adventures! Take an African safari to the wild animal Park here in San Diego and pretend your living in the Maasai Mara at the Maasai Dental Clinic. A golf tournament for everyone to compete. Breakout sessions for masterminding ways to excel.

I can’t wait to see you guys here in San Diego for an Amazing weekend with Amazing Results! I can’t wait!

Landon Libby
NASDAD President
Pastor Larry McGill, La Mesa SDA Church

ENCOUNTERING JESUS

Jesus changed the life of every person He met in the Gospels, through powerful experiences and words that led them to unexpected and transforming answers to their biggest questions about life. Questions like, Who are we? Why are we here? What is the meaning of life? Why be a good person? Why love instead of hate? What’s wrong with the world and what can I do, if anything, to change it?

Larry David McGill was born in Vancouver, British Columbia, Canada to Dr. and Mrs. Kenneth and Irene McGill. After spending fifteen years in British Columbia the family moved to Singapore and he attended Far Eastern Academy. He received a B.A in Theology from Pacific Union College in Angwin, California. After Pastoring in Hayward, California, Pastor McGill moved to Loma Linda, California where he received his Masters in Marriage, Family, and Child Counseling. During this time he was Associate Pastor at Azure Hills and worked with the Social Service Department at Loma Linda University Medical Center. He married Joanne Klopfenstein from Lake Arrowhead, California and together they have four children and eight grandchildren. Upon their marriage the couple moved to Bozeman, Montana where Larry taught Bible and Pastored the Mount Ellis Academy Church before moving to Lincoln, Nebraska where he was Chaplain of Union College for five years.

Moving to San Diego, California in 1982 Larry received his Juris Doctor in Law (J.D.) from Thomas Jefferson School of Law in San Diego, California and Doctor of Philosophy (Ph.D.) from Regents University in Virginia Beach, Virginia. Currently Larry and Joanie live in San Diego where they have lived for the last thirty one years where he Pastors the La Mesa Adventist Community Church and runs a small Law Office specializing in Trust and Estates.

Continuing Dental Education

Implants to increase the Value of Life: A team approach!

The theme for the CE this year is ‘Dental management of our patients – integrated team approaches and treatment solutions to improve the value of life’.

Every ethical dental surgeon must constantly ask themselves how the treatment solutions they offer a patient will make that individual’s life more abundant and satisfying. In an environment where our decisions are constantly influenced by industry marketing and media pressure, it is increasingly more challenging to remember that there is a person whom we are duty bound to care for.

The CE programme will aim to take delegates through a journey, highlighting how conventional treatment strategies as well as modern advances in dental medicine can truly impact upon our patient’s lives. A combination of three speakers will demonstrate the importance of a team approach in the modern management of our patients.

The session will culminate with a presentation aimed at informing us how to keep our own bodies, our ultimate tool, in health and in line with our primary objective to help our patients.

Speakers Snapshot:

Dr. Kavit Shah is a prosthodontist from London England and specializes in rebuilding what’s been extensively broken down.

Dr. P.K. Clark is the founder of the Whitecap Institute for Implant training. He comes from a general dentist background and knows how to teach complex things in an amazing learnable way. A true Mentor and Surgeon.

Dr. Matt Hubbard is the president of the California Chiropractic Association and a true powerhouse in how to keep bodies as healthy as possible to maximize efficiency. He has some amazing stuff to share on Dentists and why we struggle so much staying healthy.
Kavit Shah, BDS, MFDS.RCS, M.Clin.Dent, MRD.RCS

Dr Shah graduated from Guys’ and St Thomas’ School of Dentistry in London in 2002. Having gained experience with hospital placements in Oral Surgery, Oral Medicine and Restorative Dentistry, in 2009 he completed a four year Masters and Specialist Training Programme in Fixed and Removable Prosthodontics at the Eastman Dental Institute in London. He graduated with distinction and is now a recognised specialist in Fixed and Removable Prosthodontics by The General Dental Council as well as a fully certified member of The Faculty of Dental Surgery of Royal College of Surgeons of England.

He is a partner at The London Centre for Prosthodontics, a specialist referral practice in Cavendish Square, in the heart of London’s West End. In addition to the time spent at the practice, Dr Shah is a Senior Clinical Teaching Fellow at The Eastman Dental Institute, where he lectures and supervises graduate students in the treatment of implant and prosthodontics patients.

His practice is limited to Prosthodontics, providing treatment solutions for complex cases. The tenants through which he executes all treatment are longevity coupled with minimal intervention wherever possible.

Lecture info:
Through his presentation Dr Shah will highlight the importance of simplicity in achieving a predictable outcome when treating complex prosthodontic cases. He will use a combination of conventional prosthodontic, combined and implant treatments to highlight treatment planning protocols and treatment pathways that he utilises in order to simplify potentially complex cases. In addition, he will explore potential pitfalls and problems that can occur when maintaining such patients and briefly address strategies to manage them if and when they occur.

P.K. Clark, DMD

Dr. Clark is a practicing dentist, lecturer, and surgical mentor. He received his DMD from Oregon Health Science University and maintained a private practice in the Portland, Oregon area for nearly 20 years.

After years of experience in his own growing practice and in teaching dentists one-on-one, Dr. Clark saw the immense change Implantology brings to general dentists and their patients. Dr. Clark founded WhiteCap Institute, Center For Dental Implant Training. He continues to expand his skills and knowledge as he maintains clinical practices in Utah and Oregon.

Dr. Clark is also an active member of in the dental community in societies including the International Congress of Oral Implantology, the American Academy of Implant Dentistry, the Academy of General Dentistry, and the American Dental Association.

Mark Hubbard

Dr Matt Hubbard is the president of the California Chiropractic Association and a true powerhouse in how to keep bodies as healthy as possible to maximize efficiency. He has some amazing stuff to share on Dentists and why we struggle so much staying healthy.
71st Annual NASDAD Convention
Kona Kai Resort - San Diego, California
October 9-11, 2014

**Hotel and Location** The Kona Kai Resort & Marina, located on Shelter Island, is less than 4 miles from the San Diego International Airport. It is central to many activities you, your children, and grandchildren will most certainly enjoy, for example the San Diego Zoo, the Safari Park, museums, and restaurants.

**Reservations** Must be made by calling the hotel at 1-800-566-2524, reference the NASDAD Conference
- **Rate:** $155/night
- **Parking:** $10/night
- **Wifi:** Complimentary
- **Deadline** - **AUGUST 25, 2014**

**Weather** Temperatures in October are between 62 degrees and 91 degrees! You won’t want to miss out on this gorgeous weather!

**Airports** Kona Kai Resort is:
- 4 miles from San Diego Airport
- 87 miles, John Wayne Airport, Orange County
- 116 miles from Ontario Int’l Airport
- 124 miles from Los Angeles Int’l

**New Life Members** You will receive a letter of invitation & two complimentary banquet tickets.

**Current Life Members** Remember to bring your Life Member key on the lavender cord to wear at the banquet.

**New Graduates** A special welcome to recent graduates. Please indicate if you are a first time attendee on the registration form and your registration fee will be waived.

**Registration** In order to participate in the NASDAD activities, all attendees must register and pay the convention registration fee. Registration fees provide for the administrative expenses of the convention—which include expenses associated with guest speakers, audio & visual equipment, meeting room rental fees, postage, printing, etc. Meals, excursions, continuing education, etc, costs are separate registration items. See registration page for details.

- Sabbath School
- Church
- Lunch (ticket required)
- Banquet (ticket required)

---

**DEADLINES**

- **Hotel reservations** - August 25, 2014
- **Convention registration**—September 17, 2014
Sponsor Dental Students to the 71st NASDAD Convention!

You’ve probably noticed the recurring theme of encouraging and facilitating the attendance & participation of dental students to our annual meeting. The inclusion of future dental professionals is vital to the continued existence of NASDAD. This commitment must be adopted not only by the Board of Directors but also by each of you reading this article & newsletter. You'll remember how great it was to have dozens of students at the 2013 convention. They led the song service, provided the special musical selections, and provided dinner music during the banquet. It was even necessary to have a separate room during Sabbath School and Church for those with small children! Won’t it be wonderful to have the continued participation by young dental professionals?!!

We hope to have at least 20 students attend the October convention but their attendance comes with a price. We estimate it will cost $250 per student to transport, house, and feed them during this great weekend. Therefore, we need to ask for your help in providing for the finances to make their attendance & participation a reality! When you register for the convention, please consider a donation to help sponsor students. We hope to have at least 20 sponsors!!

Another aspect to maintaining continued participation of these students in NASDAD will be for each student to make meaningful connections with the wonderful NASDAD membership! Make it your mission to get to know them, introduce them to your friends, and become friends with them yourself!

If you are unable to attend the convention but would like to sponsor student(s), please contact the office.

Thank you for joining us in this effort!!

We have arranged for a continuing education course especially geared to the dental student and recent graduates. If you’re a dental or dental hygiene student, we want to invite you to join us at the convention!

For more details & possible sponsorship, please contact NASDAD Executive Director, Dr. Doyle Nick at the NASDAD office: 909-558-8187 or nasdad@llu.edu.

Purchase at the gate:
Adult: $48   Child: $36 (5-12 years old)

Balboa Park Golf Course
Thursday, October 9th, 2014 – 9:30 am

Course fee, including cart - $65   Club rental - $25

Constructed in 1915, Balboa Park Golf Course is the oldest public course in San Diego and hosts the first round of the San Diego City Amateur Championship. It was designed by renowned golf architect William P. Bell and is demanding for golfers of all levels thanks to three distinct sets of tees. Long Bermuda fairways and narrow Bentgrass and Poa Annua greens make for a great day of golf. Measuring 6,281 yards from the tips and featuring unrivaled views of San Diego Harbor and Point Loma, Balboa Park Golf Course is as challenging as it is beautiful. To hone your game, Balboa Park Golf Course provides an expansive practice facility and seasoned golf professionals available for instruction—everything you need for an exceptional golf experience.

2600 Golf Course Drive, San Diego, CA 92102
