Dear Center for,

We are just a few days away from the NY13 Prayer Rally. We wanted to make sure you have all the information you need to be able to watch the events on this special weekend.

We have five special programs lined up for the weekend (schedule) that are being hosted/co-hosted by the five participating conferences.

Here are your options for viewing:

1. **On Television:** Hope Channel, Hope Church Channel, Esperanza TV.
3. **On any mobile device** (including the iPhone 5). Just point your browser to [www.auam.tv](http://www.auam.tv) and follow the instructions.

Please note that AUAM.TV (Atlantic Union Adventist Media) is the only place you will find all three feeds, English, Spanish, and French.

**Television Hosts** for this weekend include: Shawn Boonstra and David Franklyn from Hope Channel and Sandra Juárez from Esperanza TV.

**Technical Advice:**

If your church is streaming, it would be best NOT to use a WiFi connection. Plug an Ethernet connection to your computer and the signal will be much better than a WiFi connection. We will be broadcasting online at 600KB. (Mobile users will not be affected.)
Satellite Evangelism and Prayer Rally

Mark your calendars. September 21 and 22, 2012, will be our Satellite/Internet Evangelism and Prayer Rally to launch NY13. This will take place at the North Bronx Seventh-day Adventist Church and will be uplinked via satellite and streamed via the Internet. You can watch live on Hope Channel, Hope Church Channel, and Esperanza TV. 3ABN will carry a delayed broadcast because of their fall camp meeting program. Join us on the Internet at www.auam.tv (Atlantic Union Adventist Media) or on Praizevision via www.praizevision.com.

The North Bronx Seventh-day Adventist Church is located at 3743 Bronxwood Ave, Bronx NY 10467.

Goal-100,000 in Attendance. Since not everyone will be able to attend the Evangelism and Prayer Rally at the North Bronx church location, it is our goal to have each local church in the Metro New York City area participate in the weekend rally by connecting either by live satellite downlink or Internet streaming. With every church member inviting two or three friends as guests to their local church to watch the program live, we can potentially have an audience of 100,000 or more just from the Metro New York area. Our guest speakers will include: Carlton Byrd, Breath of Life speaker; Mark Finley, General Conference; Ted Wilson, General Conference; Abraham Jules, Pathway of Hope speaker; and a special broadcast in Spanish with Robert Costa, General Conference.
Let's Move Day 2012
