Dear Center for,

Dear Believing Friends:

On behalf of the NY13 Steering Committee and all who were involved in the production of the Evangelism and Prayer Rally on September 21-22, 2012 at the North Bronx Church, I wish to extend a very heartfelt word of thanks. This includes the musicians, speakers, platform hosts, church staff, prayer intercessors, conference leaders, Hope Channel, Esperanza TV, AUAM TV, Praizevision and many more.

We also thank each one of you who came to North Bronx to support this important evangelistic preparatory launch initiative, for multiple thousands who watched the program by satellite or internet, and for those who interfaced with the production staff by Facebook.

Most of all, we thank God for the inspiration and motivation to implement this successful weekend in preparation for the massive outreach to the citizens of Metro New York City. Please continue to pray for the plans and efforts as we seek to spread the gospel of Jesus Christ in 2013.

Donald G. King
Chair, NY13 Steering Committee
