Piano student recital at AIU Muak Lek campus

Asia-Pacific International University held its first piano student recital for this semester on Tuesday night, September 20, 2011. More than 30 students played their piece in front of the audience at the Kiti-Tasanee auditorium. For most of them, this event is their first time to perform in a recital.

Guest lecture workshop

Dr Bradley Booth, Faculty of Education & Psychology

Students and faculty attended a guest lecture hosted by the Faculty of Education & Psychology at 7 pm on Thursday evening, September 8, 2011. Tim Scott, Education Superintendent of the SDA Cambodian Mission, was the guest speaker, and his topic was “Leadership Skills for Administrators in Christian Schools”.

Mr Scott told the group that administration is not necessarily a calling, but a mantle we are sometimes asked to wear. He said administrators need to be organized and adaptable since they are often asked to be multi-taskers. They have to make tough decisions that are often not popular. Above all administrators need to be servants in their school, Church, and community, and this calls for much prayer.

The lecture was a meeting of benefit to all who could come. About 50 people were in attendance.

Music workshop

On Monday, September 19, 2011, Mr Herbert Yonathan presented an invigorating fourth workshop session entitled “How to lead songs & Introduction to vocal care” at the Fellowship hall.

With practical and visual illustrations coupled with relevant stories and supporting Ellen G White quotes, the session proved to be a timely and beneficial workshop for all who attended.

The session concluded the Music Workshop, which began since August 29, 2011.

...When human beings sing with the Spirit and the understanding, heavenly musicians take up the strain, and join in the song of thanksgiving. He who has bestowed upon us all the gifts that enable us to be workers together with God, expects His servants to cultivate their voices, so that they can speak and sing in a way that all can understand. It is not loud singing that is needed, but clear intonation, correct pronunciation, and distinct utterance. Let all take time to cultivate the voice, so that God’s praise can be sung in clear, soft tones, not with harshness and shrillness that offend the ear. The ability to sing is the gift of God; let it be used to His glory...
