Is Seattle Sold Out?

As of today we have 407 leaders registered from Australia, Brazil, Europe and North America. The good news is that Seattle registration is still open.

A HUGE FAVOR: It would help us if you could check the spelling of your name on this page and let us know if there are any people you thought were coming but are not there. Submit your corrections or notes to us by Dec 18.

Finally, don't forget to book your hotel room with us. Please let us know if you try to book and it comes up as sold out. We will ask for more rooms. SMS +1.269.208.9024 or email.

Great plans are underway that now need formal requests to become a reality. We would like to offer a VBS (Vacation Bible School) focused on Jesus for all 4- to 10-year-olds over the two days of the One project gathering in Seattle. The VBS registration fee is $20 per day.

What we need to know, is if there are enough registered participants who are bringing their kids with them. All you need to do is email us by Dec 18.

**My Perspective**

**Messages from Finland**

Thanks to Greg Batla and Art Preuss for helping capture and edit all the footage from iPads, iPhones and HD cameras into six individual messages. These are the same messages presented in Atlanta that you can also download as mp3 files from our site. If anyone is interested in volunteering or is willing to be a donor to help the video production in Seattle, please contact us.

**Thoughts from Finland**

Earlier this month we held our first One project gathering in Europe at the beautiful city of Helsinki in Finland. See the photo album here, and read a few of the reactions from some who joined us.

"At the One gathering I loved the honesty of talks and conversation and that it is Jesus centered. It was great to be together with Christian friends and to hear and talk about Jesus for two days. Very inspiring! Jesus. All."

- Jani Virolainen
“What a personal blessing to reinforce what I already believed! If only it could have been longer so we could flush out the next step in the journey.”
- Richard Carlson

“Jesus is such a great God and close friend! I am encouraged that there are Adventists who want to lift up Jesus and point to that our identity is first of all in Christ. I pray for Adventist leaders all over the world that they more than ever get in touch with Jesus and walk in his steps. I feel hope for an Adventist church who is sharing, not judging and warm after meeting so many great people. None but Jesus!”
- Karianne Schandy

“All to Jesus I surrender – the One project in Helsinki was a breath of fresh air with Jesus... beautiful, strategic, theologically perfect and simple. Now it is action time again – looking forward to seeing Jesus glorified more in my life and in Adventism. This is the best virus ever!”
- Atte Helminen

“After Atlanta I didn’t think it could get any better. But then in Helsinki, I was asked to be one of the facilitators. It was amazing to see people having the same experience with Jesus that I had in Atlanta. It meant that I got to experience it again as well. Jesus. All.”
- Thomas Rasmussen

“The One Project encouraged me because it had such a clear focus on Jesus. The speakers were transparent and they told their personal stories of what Jesus means to them, and that really inspired me.

The One Project made me want to know Jesus more and created in me a desire for a closer relationship with God. It made me want to serve Him more in my daily life, and share Him more with others. I fell in love with Jesus again!”
- Roger Flaaokken

“I feel that my personal relationship with Jesus was improved during this event. I had change to think Jesus in new fresh way. All teachers were inspirational. Thank you for coming to Finland.”
- Markku Heikkilä

“I honestly went to the One project not knowing much at all what to expect, except that it was "all" about Jesus. It turned out to be different than anything I could have imagined. Deeply spiritual, extremely thought-provoking, un-conventional, worship-ful and far enough "out-of-the-box" to shake a person out of lethargy. Life-changing. The presenters did an outstanding job stimulating thought and bringing their fresh thoughts across in a short amount of time. The music was moving and worshipful and really set the tone. We appreciated that very much.

The only negative thing was the time element. It ended too soon. :) The small groups were organized well. I thought.
table periodically.

We were really blessed to have been able to have our entire family participate! Our daughters got really interested when they saw the advertisement for the One project and we signed them up right away. When we first got to the meetings, we thought that maybe we had made a mistake and that it was intended only for church workers, but we were all extremely blessed by the experience, and I'm sure God had His hand in bringing us all there. :) A special thanks to Japhet for allowing me the privilege of joining! :)

- Amy Heinanen

"Attending the One project has made my heart sing. Being part of a gathering where we focus on the essentials of our faith and church - truly experiencing revival and reformation in its purest form - gathering around our shared love for Christ and our passion for the church, without being sidetracked into agendas of who has the right truth."

- Kirsten Oster-Lundqvist

What is our greatest joy?

"Having collected the riches of the universe, and laid open the resources of infinite power, He gives them all into the hands of Christ, and says, All these are for man. Use these gifts to convince him that there is no love greater than Mine in earth or heaven. His greatest happiness will be found in loving Me" [Desire of Ages, p.57]
