Blessed Christmas

The shepherds in Bethlehem at the time of Jesus' birth would check each lamb born. To protect them and keep them without any blemish they would often wrap them in cloths and lay them in a manger or feeding trough. Jesus the true lamb was wrapped in cloths and laid in a manger or feeding trough. He was to be the ultimate sacrificial lamb. He was and Is the One that brings hope and joy to each single day. I am in Seattle this Christmas with my family. Meeting our new niece Makenna and celebrating the supremacy of Jesus in our lives. Wishing you all a blessed Christmas in Jesus the hope and joy for every single day.

For the One.
