TOP Board Meeting Minutes ONLINE

This past Sunday and Monday, April 27-28, the TOP Board met in Riverside, CA. It was a great time for prayer and discussion concerning our vision, the future ministry of TOP, and to discuss details concerning new, as well as up and coming, Gatherings. In an effort for transparency, we have posted TOP April Board minutes online for your perusal. Thank you for your continued prayers and support as we move forward in the footsteps of Jesus. Here are just a few bullet points of the discussion to peek your interest:

- USA 2015 will look to a Gathering in Southern California
The One Project - Email Newsletter

- Explored the possibility of beginning a donation track for those that can't afford to come to a Gathering
- As part of a young preacher initiative, TOP Board discussed inviting some young preachers to come together days prior to Seattle 2014, in order to learn about high quality preaching with a prophetic, Christo-centric, voice.
- A TOP book was suggested and work is beginning to publish as soon as possible.
- It was also decided to explore working with ministerial directors in the NAD in order to offer programming and resources if needed.

To learn more about what was discussed, go to the TOP Board Page, then click on April 2013 Board Minutes.

Vi var 97 stykker samlet i Mjøndalen for å møte Jesus. Noen hadde vært med på en 1project samling før, andre kom og lurte på hva de hadde kommet til. Men alle dro velsignet over å ha opplevd felleskap med, felleskap i og felleskap rundt Jesus, menighetens virkelige leder.

Vi takker for felleskapet og for at du kom. Skal vi lage en ny 1project samling i Norge? Vi vil gjerne høre fra deg. Hvis du deltok i samlingen setter vi stor pris på om du kan evaluere arrangementet ved å gå inn på www.the1project.no og klikk på «online evaluering». Takk.

You can view a testimony of the Gathering written by Marianne Dyrud Kolkmann, on the One project website.
