Seattle 2014 Preparations

We are excited that our next gathering in North America begins in just 10 days, over 760 of us will come together in Seattle. We’ve got some great opportunities for fellowship and wrestle with Jesus, our Present Truth. As you prepare, know that we join you in prayer for this gathering. Below are a few things to help you as you prepare for your trip that we hope will make this opportunity a great one for you.

SEA-TAC Airport Arrivals: For those arriving in SEA-TAC, there’s no reason to rent-a-car. You can simply head to the Sound Transit Central Link Light Rail station, follow signs to ground transportation and then out through the parking garage, and the Light Rail will take you to within blocks of The Westin hotel. The schedule for the link, on Sunday, is here and you’ll want to be sure to pay your fare before boarding (which you can do with cash or credit/debit). It is only $2.75. You’ll then head all the way to the Westlake station, and follow these directions to get the three blocks to The Westin Hotel entrance.

If you are staying with us at The Westin hotel, remember that check-in begins at 3:00pm. There is nothing planned on the schedule for Sunday evening, other than a facilitator training time at 6:00pm for those that have agreed to facilitate (if you’re interested in facilitating, see the article below). Otherwise use the time to enjoy Seattle with new and old friends.

If you are driving and plan to PARK in downtown Seattle, please note that parking can be expensive. There is a parking garage in a building next to The Westin, BUT PLEASE NOTE THAT THIS GARAGE IS NOT A PART OF THE HOTEL even though it is called The Westin Garage. You will have to pay for your parking at that building and NOT through your hotel bill. Here is some information from The Westin about the parking that they do offer.
Registration begins as early as 2:00pm and runs until 9pm that evening. Registration is important as you’ll get your ID badge and some information to enrich your experience. The Registration desk is on the GRAND LEVEL, just four floors up from the hotel lobby in the north tower. If you haven’t already verified the names of all the people you are bringing, please check names here as well.

During the gathering, we will have three ways for you to add your voice to the conversation.

- First of all, the table conversations are a crucial part of the One project. The reflections that will be given are designed to help encourage conversation and force you to wrestle with the “So what” aspect of the message. The facilitators at each table will help guide or encourage the conversation with provided questions.
- Secondly, we’ll be sharing a series of Videos from fresh voices that talk about their dream for our church. Each of you will have the opportunity to write your dream down on a piece of paper to share with us. We will then post those on a TV monitor in the lobby for others to see, as well as on our website following the event.
- Lastly, we are excited to announce an opportunity that will influence conversations at next year’s gathering series, starting in San Diego, CA. During each of the breaks (refreshment, lunch, and dinner), we’ll have two video booths set-up across from the main ballroom, in the Fifth Ave. We would love if as many of you as possible could go to a booth during a break and fill in what comes after this statement, “Dear Church…” What are your hopes and dreams for the church? What do you need from leaders? What do you wish was happening or being talked about that isn’t? What would you like to affirm about our church? This will be an important influencer for not just next year’s gathering in North America, but all of the One project gatherings and conversations, and hopefully, conversations within our world church.

Finally, be sure to pay close attention to the schedule and note that we will start all our opportunities on time, so we need you in your seats and read to begin on time through the day. We’ll finish before 5pm each day to give you plenty of time to connect and network with others in attendance.

Remember to download your Journal.

Again, we look forward to hosting you all in Seattle and invite you to pray along with us for the outpouring of the Holy Spirit and the presence of Jesus to be thick as we meet together. “For where two or three are gathered in my name, there am I among them.” Matthew 18:20 (ESV)
San Diego 2015 OPEN for Registration

We are excited to open registration for the One project gathering in San Diego, February 9-10, 2015. It will also be the launch of our theme for 2015 gathering series: "The Sermon", where we will look at Jesus’ Sermon on the Mount. You can click here to view the schedule of speakers. The "Early Bird" price is available from now until February 11 at 11:59pm (PST). After that the rate goes up to the standard fee of $190. You will also want to reserve your hotel room early as we expect to fill up for this gathering earlier than others (must have something to do with the sun).
Connecting to Seattle 2014

We'd like to invite you to follow the One project on Twitter as well as our Facebook page, as we will be giving regular updates through the Seattle 2014 gathering with quotes and announcements concerning new items to the ministry. And if you haven't subscribed to the newsletter, please do so and encourage your friends to do so as well as we'll send out daily newsletters, hopefully with pictures.

For those of you who cannot join us in Seattle, you can at least watch the "Reflections" live on the Hope Channel. Just follow this link and register to get the access code and URL for Seattle.
Facilitators Still Needed in Seattle

We are still in need of a few facilitators to care for one of our 95 tables during the gathering. Facilitating is not hard work, but you have to be comfortable encouraging conversations. You'll receive training at 6:00pm on Sunday evening, along with a list of questions to help get the conversations going, and a new book by Terry Swenson called, "Interplace: The Circle of Belonging." To learn more about how important this role is you may go to our website and view the video. Otherwise, please contact Terry Swenson about your desire to participate in this manner, and thanks to all that have and will accept this call.

Australian Gatherings

As plans our plans ramp up for the upcoming Sydney and Perth gatherings in July, 2014, we are excited and encouraged by the interest shown so far by individuals and groups planning their travel to attend one of these gatherings.

Our Perth gathering is well on its way to being SOLD OUT, and Sydney registrations are building. We encourage you to register now, and plan ahead. Bring your pastor, church leaders, friends and family along with you to share in the Jesus conversations.
For all Pastors, Interns, Theology Students and spouses, we would particularly encourage you to come to the Sydney gathering and stay on for our special Monday Reframe event, where we will take the weekend conversations deeper and more practical. The cost for this is included in your registration fee.

Any questions, please contact Rod Long.

Lifting Hands & Hearts

Each week, the One project leadership team shares prayer requests concerning each other's lives and ministries, as well as the ministry of the One project. We would invite you to join us in specifically praying for all the leaders and speakers planning for the One project in Seattle, for all those traveling to and from, and most importantly for the outpouring of the Holy Spirit to lead us into Present Truth through the person of Jesus Christ. And let us remember at all times to keep our eyes fixed on Jesus, the author and perfector of our faith, and let us talk and think of Jesus as we lose ourselves in (EGW, SC 72:1).
