REGISTRATION OPEN
Registration is now open for generation One; our first gathering focused on 14-17 year olds. Following the theme for 2015: The Sermon.

VISION RETREAT
Please keep the generation One leadership team in your prayers as they prepare for their vision retreat scheduled for April 20-21 in Ontario, California.

TOP BOARD
The One Project Board meets April 27-28 at the Southeastern California Conference. You will be able to read the updates from this meeting next month.

Sydney
Registration confirmations continue to roll in in the lead up to our gathering on July 18-20, where we will gather at the Knox Grammar School Great Hall. This is a beautiful facility that will provide flexibility for our gathering space and is well located to serve Sydney and
Central Coast attendees.

We still have plenty of space however, so be assured we are not yet sold out!

Every gathering is different, with different presentations, conversations and attendees - if you have attended a gathering before we would love to continue sharing with each of you what Jesus is doing in our lives.

There are some new elements to our program this year, along with more of what has impacted so many before.

On Friday night, our opening worship event ‘Resound’ will focus purely on worship. Tim Gillespie will be sharing a Reflection with us. This night will help set the tone and prepare us for an amazing weekend together. "Resound" is an event for all registered attendees of the gathering.

On Monday, our ‘Reframe’ gathering will meet with our Pastors, Interns, Theology Students and their partners at the Fox Valley Community Centre as we once again take the conversations deeper and focus more on ministry. We can't wait to spend time together sharing and learning from each other. RSVP with Rod Long to attend.

We encourage you to register now, and bring a friend to share the gathering experience with. Looking forward to seeing you there.

Perth

We are really excited by the response for our first Western Australia gathering to be held in Perth on July 26-27.

Many will be experiencing a gathering for the first time, and we can't wait to come together
across this weekend. There are still spaces available and we would love to have you join us in Jesus conversations.

Our gatherings are truly multi-generational and people from all ages have attended and enjoyed their experience. Register now and bring a friend to share the gathering experience with.

Looking forward to seeing you there.

New TOP Website is Live!

Visit our brand new website that has gone live today! All the reflections from our gathering last February in Seattle are available now online.

The “This I Dream” vignettes, will be posted online after our last gathering this year in the current Present Truth series. We have had a few interests, and if a donor comes forward to help create new ones for other locations we will post these up sooner.

Also included on the media page is Bill Knott’s message from the authors corner. Due to
publishing agreements, Leonard Sweet’s message is not included. Look out for his next book, “The Table”, which will include most of what he shared with us.

Enjoy browsing!

PS: If you see the old site still, don’t panic. Depending on your internet provider, it may take longer (24-48 hours) to be pointed over to the new site.

**Desire of Ages**

“The world needs today what it needed nineteen hundred years ago—a revelation of Christ.”

This line from Ellen White is truer now than ever before and she goes on to suggest that it would be good to place a copy of the Desire of Ages in every home. To accomplish this mission, Pacific Press has launched an initiative to *Tell the World About Jesus* in 2014. It’s easy and inexpensive to join the movement and share this awesome book with the people in your life. To get copies call (800) 765-6955 or visit [The Desire of Ages online](http://theoneproject.createsend1.com/t/ViewEmail/r/C740DD1C3F452E962540EF23F30FEDED/C6A7D8F1CD14787140EE66FE10287772[4/8/2014 10:37:12 AM]).

“It is my fervent hope, that you will participate in distributing The Desire of Ages, which points people to the Bible and to the One who will soon return to take us home to heaven.” - Ted Wilson
