Local Impact Project
On Saturday night, we will be heading into Sydney, along with Fox Valley Adventist Church, to meet with the homeless, provide them a meal, and do some ministry. Places are limited so please email us if you are interested in joining us.

We will also be writing letters and preparing care packs for newly released prisoners associated with the Prison Fellowship Ministry. This is a great opportunity we have to let people know about the second chance Jesus has provided for all of us. We welcome you to bring items for the care packs, including toiletries (soap, toothbrushes/paste, small packs of tissue, combs), small notebooks and pens, towels and individual bottles of water. We also welcome you to bring donations of new or gently used winter clothing, which will be given to a local organization.

Registration will be open Friday night beginning at 6.30pm and Saturday morning beginning at 8am, see the schedule for more information.

San Diego 2015 Dates Change

In consultation with our host conference, the Southeastern California Conference, and the TOP executive committee, it seemed advantageous and necessary to move the dates of the North American Gathering in February from February 9-10, 2015, to February 8-9, 2015. You can view the updated schedule. Ultimately, this means a move of one day, but the hope is that it will allow more people to attend and less time off of work. Here is some important information for those of you who are interested:

- The messages will focus on "The Sermon," which will include insights and reflections from one of Jesus' most powerful messages, the Sermon on the Mount. You can view the updated schedule here, as well as begin preparing your heart and mind by spending time reading the Sermon on the Mount in the Gospels (Matthew & Luke), as well as Ellen G. White's reflections on the sermon from her book entitled, Thoughts from the Mount of Blessings.

- On-site registration will open on Saturday afternoon and will run until 10:00pm on Saturday night, so plan accordingly. Don't forget to reserve your lodging as well as we only have so many rooms blocked off for our special rate of $129.00 at the Town and Country Inn and Convention Center.

- Teens are invited to join a new ministry called "generation One," which will happen on Saturday at the same hotel, different room, as the gathering on the following Sunday/Monday. You can register them at the "new and improved" One project website as well. Kids are encouraged to register with us at TOP Kids.

- An exhibit hall will be made available for those wishing to share resources or create awareness for their ministries that are impacting the world for our Savior. For more information, contact Sam Leonor, Japhet De Oliveira, or Paddy McCoy.

- The change of date means more people can attend. Talk with your brothers and sisters, your church members, your family and friends, and invite them to come to San Diego in February to talk about Jesus.

To learn more about our San Diego gathering, check out our website or email Japhet, Alex, or Paddy.
New TOP Website is Live!

In case you haven’t had a chance to peruse our [new website], it is new and not only looks great, but is much more user friendly. Also, all the [reflections] from our gathering last February in Seattle are available now online.

The “This I Dream” vignettes, will be posted online after our last gathering this year in the current Present Truth series. We have had a few interests, and if a donor comes forward to help create new ones for other locations we will post these up sooner.

Also included on the media page is Bill Knott’s message from the author’s corner. Due to publishing agreements, Leonard Sweet’s message is not included. Look out for his next book, “The Table”, which will include most of what he shared with us.

Enjoy browsing!

Of course, you can also enjoy the iPhone mobile app for the One project by clicking and downloading it from [here].
TOP Board Dreams, Visions, and Updates

At the end of April, the One project board met together for two days of praying, planning, and dreaming. Here is a quick, bulleted report of some of the conversations that were had and changes that were made. The following items will be posted to our website shortly:

- Mission Statement Revised - in order to reflect more accurately what the ministry of the One project is all about, we did some revision to the Mission Statement, which includes the revision on our website that we exist to "Celebrate the supremacy of Jesus Christ through the Adventist Church" instead of just "in" the church.
- Bylaws for the One project created - in an effort to organize our movement in a transparent and effective manner, we discussed the creation of a Constitution and Bylaws to show everyone exactly how the One project functions.
- New Organizational Structure Established - with all the new changes to our structure, our very own Tim Gillespie mapped out an incredible organizational chart that we'll share with you soon to show who is responsible for decisions, tasks, and vision-casting for the future of the One project as we desperately seek to stay in the footsteps of Jesus.
- New Opportunities for Involvement - there are now a wide variety of ways to get-involved and support the ministry of the One project, one of those being through donations toward specific items known as our "Dream List" (see list below).
- Explored the idea of One Day gatherings - in our effort to encourage even more Jesus-centered conversations and church communities, we explored the idea of "taking TOP on the road" for a One Day opportunity in different cities, where local speakers would join with some TOP speakers to present a One Day event for your church. To learn more or express interest, contact Japhet De Oliveira.

Again, as these items get fine-tuned and posted on our website, we will let you know. At this time, we simply continue to ask for your prayers as we seek to celebrate the supremacy of Jesus in and through the Adventist church, and wrestle with the implications and consequences of trying to live out "Jesus. All."

TOP FAQ's Updated

As a transparent movement within and through the Adventist church, we continue to seek healthy, Christ-like ways to help clarify what the One project is, and what it isn't. However, we don't spend a lot of time speaking to every false accusation or conspiracy theory as to what some...
believe to be the purpose of the One project. Our hope and prayer is that our messages, our gatherings, and the content of the ministry that we post online, which is virtually everything, will speak for itself. But for those seeking more clarity and definitive statements, we have revised our FAQ on our website to help give clarity to those who need it. Of course the best opportunity is to engage in a gathering, but in the meantime you may read our recent book, watch and listen to every message preached at a gathering in the U.S. and around the globe, and see what we're up to on our website.
