Greetings!

Louis Zamperini is a living national treasure. He ran for us in the Olympics in 1936, and was so impressive that Hitler asked to meet him. He fought in the U-S Army Air Corps in WWII. He was a bombardier and his plane once landed safely with over 600 bullet holes in it. On a rescue mission his plane went down and he spent 47 days on a raft surrounded by sharks. He was "rescued" by the Japanese only to suffer over two years of atrocities in a prison camp. After all of that he came to faith at a Billy Graham Crusade, the first one in LA.

At the age of 93 he is still healthy and our weekend afternoon host, Jerry Woods, will get the opportunity to share his story this Saturday and Sunday starting at 1:20 p.m. each day. His story is chronicled in the current NY Times #1 best seller called "Unbroken" by Laure Hillenbrand, who is also the writer of "Seabiscuit."

I invite you to join Jerry for this wonderful and heart-warming story.

May God bless you today,

Kevin
