Greetings!

One of my favorite holidays is definitely Christmas. There's something about the sound of friends and families laughing and joking together, the scent of pine needles in the air, the ear-to-ear grin as a young child opens a gift, and, of course, the Christmas music! I'm always sad to see the season come and go, because I look forward to it so much!

This got us thinking--why not celebrate Christmas this July, and embrace that spirit of giving by helping the people right around us, in our community?

We are excited to invite you to be a part of our special Christmas in July Food Drive. We will be collecting canned food, nonperishable food items, and toiletries to be given to various food banks in your area. You can drop off these items on July 25th between noon and 6 P.M. To see where we will be collecting items, check out our website!

And guess what? To add to the Christmas spirit, we'll also be playing your favorite Christmas songs on the radio all afternoon! Enjoy live call-in reports from our teams on location around the region.

We'd like to encourage your business, youth group, and family to consider getting involved by collecting food for our Christmas in July Food Drive! If you have questions about the drive, just give us a call anytime at 800-355-4757!
