Greetings!

We're just a few minutes away from starting our Christmas in July Food Drive! For us, it's sort of the same anticipation feeling as Christmas morning, as we are excited to see many of you at our different drop-off locations today! We're asking for your help in collecting canned foods, non-perishables, and personal care items for the food banks in our local communities. Here's a list of the drop-off locations all over the Inland Northwest. Hope to see you today!
