Greetings!

What a journey it has been over the past few weeks with The Story Project! I hope you've been blessed by the many listeners that have told us their unique stories of how God has moved in their lives.

We've heard from Lonna, Luke, Forrest, and Amber--each with different and powerful life stories.

For our final week of The Story Project, we will be joining a strong woman named Tanya as she shares her touching and powerful story. A mother of two young sons, Tanya received the news that no parent should ever have to hear--her youngest son had a brain tumor. Reeling from the news, Tanya began to prepare herself and her family for the impact it would have on their lives, all the while holding tight to God and the plan he had for their lives.

I hope you'll take a moment to watch and experience a blessing through Tanya's incredible story.

Week 5: Tanya

What a journey it has been over the past few weeks with The Story Project! I hope you've been blessed by the many listeners that have told us their unique stories of how God has impacted their lives.

We've heard from Lonna, Luke, Forrest, and Amber-- each with different and powerful life stories.

For our final week of The Story Project, we will join Tanya as she shares her moving and heartfelt personal testimony. A mother of two young boys, she received the news that no parent ever wants to hear-- her youngest son had a brain tumor. Tanya discusses some of the serious challenges and battles she faced as she tried to prepare herself and her family for the impact that this would have on their lives. Tanya held tight to the belief that God had it under control-- and it's what got her through her hardest days.

Watch and listen as she shares her story below.

God has such an uncanny way of speaking to us through music. Maybe you've had an experience, like Tanya's, and want to tell us about it. We'd love to hear what God has been doing in your life! Share your story by filling out the form below.
