Greetings!

There are times when we feel overwhelmed with the ever-lengthening To-Do lists in our lives. Making sure the kids get to school on time, getting that project at work done before the deadline, and even making sure there is food on the table for the family- I think we’ve all been there.

Ginger had felt a heavy burden of all these worries piling up. But when she heard a Mikeschair song on Positive Life Radio, she immediately identified with the lyrics and felt moved by the honesty and passion in the song.

She loved the way that the song encourages us to have the same attitude as Job, saying, “No matter what, I'll follow you.”

Ginger shares her story this week as a part of The Story Project. I've been incredibly blessed and inspired by her story. I believe you will be, too.
