Greetings!

Windows down, enjoying the breeze, Paige hears one of her favorite songs on the radio. Turning it up, she sings along at the top of her lungs.

Working for the US Postal Service, Paige enjoys being able to take Positive Life Radio along with her throughout the day. And she takes time to pray for every person as she stops to make a delivery at their mailbox.

"I don't have to worry about if I'm on-key, off-key, high, or low. God doesn't care, he's just happy to hear my singing!" she says.

Paige shares her story this week as a part of The Story Project. Her story is one that I know will make you smile.
